

# Find the spoon

**People:** 2 or more

**How to play:**

- One person says 'find three things that are... blue.' etc.
- The other person then has to collect three things that are blue and bring them back to that person.
- Make this harder by timing the person to see how long it takes them.
- Other things that could be collected include 'find three things that are... spotty, start with the letter 'C', round, soft to touch.'

*Play with more people by seeing who can collect the three items first.*
