

Autumn 2 Reading Newsletter

Welcome to Christ the King's Reading Newsletter for Autumn 2 2022. In this newsletter and those that follow, we would like to share updates with our community about what is going on in school to promote a love of reading for pleasure. At CtK, we aim to open the minds of our children through the power of reading. Using our wide and growing collection of books we want to; inspire and engage children, support their understanding of the wider world including culture and diversity and provide role models for the children through a variety of authors. We hope this newsletter keeps you up to date and provides you with ideas and inspiration to foster a love of a reading at home with your child. If you have any recommended reads, please let us know!

In FS1, the children have enjoyed taking home their story bags to share stories at home with their families. They also enjoyed story time with parents and carers at the end of the school day this half term.

In 4HS this year, the children are unwrapping a new book each day in December to read for their story time.

In year 5, the children have been reading 'A Christmas Carol' by Charles Dickens. They have taken up the roles of the characters and started to act out the play. During this last week of term, the children are looking forward to performing their play for their peers in year 5.

In 4HK, the children have been reading 'The Dog that Saved Christmas'. They loved the story and recommend this book to others. They discussed how Christmas can be a difficult time for some people as it can be overwhelming and lead to sensory overloads.

Title: You're Different and That's Super Author: Carson Kressley

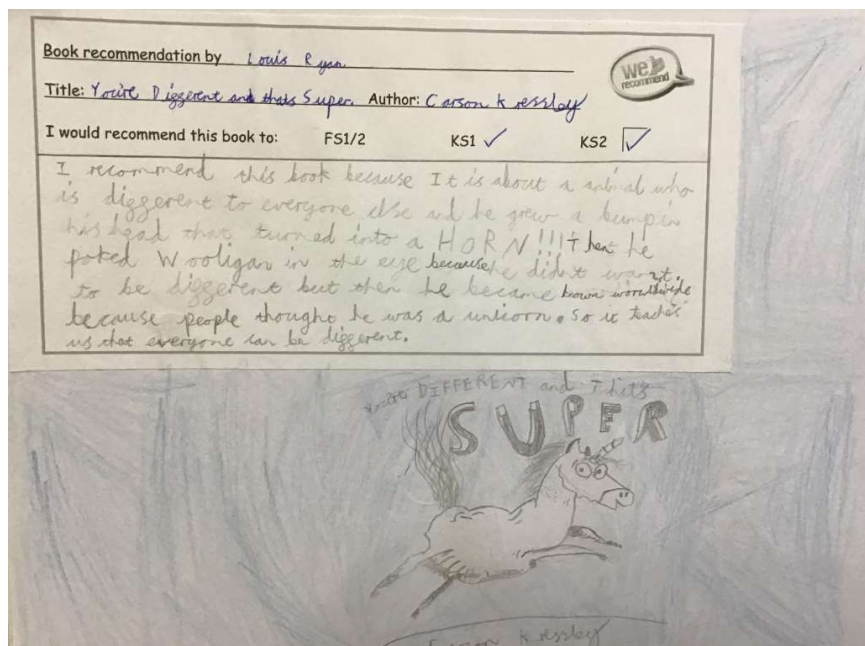

I would recommend this book to:

FS1/2

KS1 ☒

KS2 ☒

I recommend this book because it is about a animal who is different to everyone else and he grows a hump in his back that turned into a HORN!!! then he poked Wooligan in the eye because he didn't want to be different but then he became known worldwide because people thought he was a unicorn. So it teaches us that everyone can be different.
