## Play the pirate treasure game with a friend.

Select a numeral card and count out the corresponding number of objects. Close your eyes and ask a friend to take away some of the objects.

How many objects are left?
Can you work out how many objects have been stolen?
You could use a number track to help you.

You could use these number tracks to help you.

| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |
