

„Treat others the way you would like to be treated yourself“

2nd July 2021

Message from Mrs Procter

This week we have had to send another bubble home due to a positive case within school, there certainly does not seem to be an end to it at the moment.

Unfortunately we have also had to cancel Mr Jones' First Holy Communion Mass tomorrow but we have re-arranged it for **Saturday 17th July at 10.00am**. We have made the decision that we will continue with all of our end of year plans and slot in any activities that bubbles may miss due to self-isolation once they return.

Sports days have been a great success this week and some of our children said they preferred not having the adults watching them as it made them nervous. They have all enjoyed taking part in their class bubbles and having the reward of an ice pop at the end of it - I could hear the cheering from the field in my office. I appreciate that it has seemed ridiculous that I cannot have parents on our school field but 45,000 people can watch the football or Wimbledon but we are following the guidance set for schools and I can assure you that the children have had a great time taking part!!

There is great excitement today in school as the children are all waiting to find out who their teacher and TAs are going to be next year. Unfortunately we cannot hold our usual transition days due to Covid but all children will have the chance to see their new classroom and teachers before we break up for summer. The children who are currently self-isolating will meet their new teacher once they return. Please see the grid opposite for staffing next year.

You will see that we are losing two highly regarded members of staff in the summer. Mrs Skelton has decided that she would like to take a career break to spend some time with her daughter and Miss Montgomery is relocating to Ireland to be closer to her family. We are very sorry to see them go but fully support their decisions - we will not let them go without a proper Covid secure Ctk send off! Mrs Mackenzie leaves us today also, she has been supporting our Y1 and Y2 children each morning but she will be returning to us in September so it is not goodbye just Au revoir!

Mrs Hughes has started her maternity leave after the birth of her little boy Evan and will be returning to school Easter 2022. We are delighted to welcome back Mrs Dobson from her maternity leave. We will also be welcoming Mrs Kilfoyle to our Ctk family and I am interviewing next week for our new reception teacher.

Weekly Reflection

Ethos Statement – I understand the importance of working as a team

In the Bible, we hear how Jesus sent the disciples out in twos to spread the Good News and to grow the Kingdom. Jesus wanted his friends to work together and recognised that the power of encouragement and having a support system would make their mission much more successful. It is the same for us too. When we work as a team we can achieve so much more so remember, although it is important to have leaders who can steer groups and help them stay on task, we also need to make sure we are all co-operating and working together if we want something to be successful.

Our mission this week is to work together and listen to each other, giving each other encouragement and support.

The Feast of Saints Peter and Paul

On Tuesday, we remembered two of the Church's great saints – Peter and Paul. When he was alive, Jesus called Peter the rock. All buildings are built on rock. They have strong foundations so that they don't fall down. Peter was to become the strong foundation for Jesus' Church, not the church buildings that we sit in today, but the community of the Church that we all belong to. Peter's faith is the starting point for the Church and he is an example for all members of the Church to follow.

Saint Paul was originally known as Saul, and even presided over the persecutions of the early Christians. However, he experienced a powerful vision that caused him to convert to Christianity while on the road to Damascus. He was baptised and took the name Paul. He travelled the world preaching ceaselessly about Jesus as well as writing letters to encourage those who he could not be with.

Both saints were ordinary men but wanted to follow Jesus and were filled with faith. We are just ordinary people too. But we can try to follow Jesus, to believe in him, and show our faith in the way that we treat others and in all that we do.

Year 2 Science Walk

As a recap of our plants and habitats topic we will be going for a walk around Eastham Wood next Thursday (8th) in the afternoon. We will be looking at microhabitats and using an app on our iPad to classify the plants and trees we find. We are hoping for nice weather so please ensure your child has a water bottle on this day and apply sunscreen in the morning before coming to school. If we are not so lucky with the weather, wellies and raincoats will be needed. Many thanks, Year 2 team.
