

„Treat others the way you would like to be treated yourself“

3rd May 2024

Message from Mrs Procter

On Saturday the old mobile will finally be coming down as our long awaited building work is starting. Over the next eight weeks there will be some changes to school as we will be managing a building site whilst running school. I am sure that this will present some challenges and ask in advance that you will be patient with us. As although we have carefully gone through the diary for the rest of the year, I am sure there will be something that we have missed!

The FS2 outdoor area will be out of action due to the building work so we have made a new area for the children this week outside by the Playzone entrance. The children have been very excited to help plan their new area.

Mr Jones' class will be based in the junior hall and will be dismissed from the entrance at the back of the hall. They can still come in through the church gates each morning.

Dance club on a Tuesday lunchtime will still run but we will be holding it in the church hall from next week.

Full of beans will run until half term but if the weather is wet we will have to cancel it on the day so please make sure you check your school spider messages over the coming weeks. We will not have any Full of Beans after half term due to the building work taking place.

I hope you all enjoy the long weekend ahead we will keep everything crossed that the weather is kind to us.

Weekly Reflection

God is always wanting to speak to us and He wants us to hear His voice. In our world today, it can sometimes be hard to switch off from all the sounds around us. Even when we are relaxing it is usually with voices on the television, our favourite songs and even beeps and likes from social media. To hear God's voice we have to listen a little more closely and quieten all the other noise. When Jesus wanted to hear His father's voice He would go to a quiet place to pray away from the towns and His friends. We may not hear Him straight away as we need to give ourselves time to stop random thoughts popping into our heads. Once we are calm and relaxed we can ask God for help and advice. God may not respond to us in the way that we are expecting but He may speak to us through a picture, some words or even are imagination. He is guiding our thoughts because His words carry hope, love and are encouraging. His words will bring us joy and peace.

Our mission is to find a quiet place away from distractions, sit still and listen to what God is saying to you.

First Holy Communion Session 2024

Just to let you know that the next session for Holy Communion children will be on Wednesday **8th May** 5pm until 6pm. Please make every effort to attend this session as we will be giving out important information about Communion Day.

Summer Reading Events

This term we are planning some special reading sessions to continue to inspire our children to love reading and to make the use of the (hopefully) better weather outdoors. FS1 to Y3 would like to invite parents/carers or grandparents to share books with the children during these sessions - we will group some children together if a parent/carer is unable to attend but it would be wonderful to see as many of our families read together as possible. We look forward to seeing you there.

Bling My Ride

Many thanks to those who participated in Bling my Ride/Scooters. We had some amazingly creative ideas and super explanations of their theme. It was also lovely to see more people scooting, walking and riding to school. The children were very excited. Chris from Wirral Council came to judge each year group and winners will be announced next week.

Mental Health Awareness week

Next week is Mental Health Awareness week and we will be exploring this further in school with an assembly and activities in class. The theme this year is 'movement' and how exercise can improve our mental Health. We are also going to show our participation by taking part in the 'Wear it Green Day.' If the children would like to wear a green accessory such as socks, a headband or a green item of clothing etc they may do so on Thursday. During this week the children will also take part in extra exercise sessions in celebration of movement to promote good mental health.

School Parking

Eco council have been out twice over the past two weeks to monitor parking and do a speed survey. They were very happy that most drivers stuck to the 20mph limit on Allport Road and that the majority of families did not park on the yellow lines or zigzags. Unfortunately, we still have some people parking in or at the end of the bus stop and we would like to see that stop. Thank you to all those helping keep our children and families safe by parking and driving in a considerate manner. Attached is a leaflet produced by Wirral Council that reminds us of parking rules.

Diversity week

As part of our Diversity week starting the 28th June we are looking for potential speakers (family and friends) who can come into school to share their experiences of growing up with a disability or a neurodiverse condition (ADHD/ASC/Dyslexia etc) in today's society. We want to celebrate how differences make us all unique and give us special qualities that can help us in our future careers and home life. If you think that you could help us out and share your story please email bguthrie@christtheking.wirral.sch.uk

Brass lessons- change of day

Due to the May Bank Holiday, brass lessons will take place on **FRIDAY 10th May** next week so please remember to bring in your instruments on that day.
Many thanks,
