Weekly Reflection

Ethos Statement – I notice that we are the same and we are different

In his letters, St Paul reminds us that we are all different; we all come from different places, speak different ways and have different customs. However, he also reminds us that we all have something in common – we have all been created by God and are His children, His saints and He loves us. We must remember to let the love of Jesus fill our hearts and minds and celebrate our differences.

Our mission this week is to love one another, help each other and be at peace with everyone because despite all of our differences, we are all members of God's family and he loves us just the way we are.

The following children have shown that they recognise how we are all the same and different:

Classes for September

The children have enjoyed three days with their new teachers and teaching assistants in their new classrooms. On Monday they will all return to their old classes until the end of term. The staffing structure for next year is attached at the end of the newsletter. We would like to welcome Miss Yates to our Christ the King family who will be joining us in September- I know you all make her feel very welcome.

Mental Health Awareness

As we are all aware Mental Health Awareness is a hot topic of conversation at the moment and something that at Christ the King we have always tried hard to address. Looking to the future, I would like to develop this area within our school to ensure we are supporting our children and preparing them for the future. I feel it is very important that our children are resilient and able to look after their mental health as much as their physical health. Next year I would like to develop this area further and I need your support. I am looking to create a group of Mental Health Ambassadors within school that will support both our children and parents. To do this I would like to create a team of parents who feel they can support and offer advice to other parents and our school community. The Ambassadors will meet with myself at the end of September and play an active role in increasing mental health awareness within our school by helping to lead events and offering support when needed. If you think you can add to this working party and are interested in attending the meeting in September, please can you email me to show your interest. I think this will be an exciting development for our school and will benefit our children and parents greatly, Mrs Jones SENCo jjones@christtheking.wirral.sch.uk

Youth Civic Award

Congratulations to Noah Howard in Y4 who has been presented with his 2nd Youth Civic Award. Noah has worked independently over the past 8 months and his hard work has been recognized by the Deputy Mayor and Mayoress of Wirral. We are all very proud of you Noah.

Bags for Books

Please send in a bag with your child's name on for them to bring their school books home in at the end of term. The stronger the better! Thank you.

2019/2020 Academic Calendar

A copy of the 2019/2020 calendar will be sent home with your child next week. This can also be found on our school website on the home page.

What a wonderful night we had to celebrate the music achievements at CTK. The children were absolutely amazing, well done all!

UNICEF Change for Change Day

Our change for change day for UNICEF was a great success - the children looked wonderful in blue. Thank you for all your kind donations, we raised £376.00.

Mad Science

The final Mad Science session will be on Monday 15th July.

Medication Administered by School

Should your child be prescribed medicine by the doctor which needs to be administered during the school day, a Parental Agreement Form - Administer of Medication must be completed prior to any medication being administered within school. This form can be obtained from the school office or downloaded from our website. Please bring the form and the medication (which must be clearly labelled with your child's name) to the school office. Please **DO NOT** put any medication in your child's bag.

Grapes in Lunchboxes

Please remember that whole grapes are not allowed in your child's lunchbox – they should be cut in half lengthways to minimise the risk of choking. Unfortunately if your child brings whole grapes in for their lunch they will not be allowed to eat them and they will be returned home.

PFA Update

On Friday 19th July we will have our pop up PFA tuck shop in the playground selling ice pops and Cornettos, sweets, crisps, drinks, pocket money toys, fruit, cakes and Krispy Kreme donuts. The shop will run from 3.15 so please grab a snack or surprise for your way home.

Don't forget - The PFA are holding a Preloved Uniform sale from our PFA pop up shop on Friday 19th July at 3.15. Help us show our children rather than creating waste that it is better to recycle and reuse.

Next PFA Meeting is on Monday 15th July at 7:30 pm in the Church Hall

Spaceport Visit

Year 5 had a wonderful day at Spaceport and the sun was shining on the ferry. Thank you to all the helpers, the children and staff had a wonderful day.

Y5 Greek Day

On Wednesday 17th July we will be holding a Greek day in Year 5. Children are invited to come in to school in Greek costume on this day but please don't feel that you have to spend lots on costumes – we are sure you have things in your homes which you can use. We will be asking the children to complete a mini project which is to be brought in to school on this day – we will give more information to the children in class.

Year 6 Leavers Mass

You are invited to the Year 6 Leavers' Mass to be celebrated here in school on Thursday 18th July at 6.00pm in the Infant Hall. This is an opportunity for us to celebrate as a family their last seven years at Christ the King. After the Mass, the children will have a BBQ. Drinks and nibbles will be provided in the school hall for parents.

If you are unable to stay for the Mass, would you please ensure that your child is collected from school no later than 7.45pm, as the school premises must be vacated by 8.00pm at the latest. Thank you for your co-operation.
