

	AUTUMN	SPRING	SUMMER
Foundation Stage 1 Science	Bridges Forces Materials	Forces/ Pushes & Pulls Growing/ Plants	Tasting/Food Sweet & Sour Senses
Foundation Stage 2 Science	All About Me Autumn Wind	Materials Spring Cold Places Imagine That	Moving Vehicles Seaside
Y1 Science	Animals including humans Seasonal Changes - Summer to Autumn Raise questions Make comparisons Record & communicate Findings Sort & group Use scientific language	Every day Materials Seasonal Changes - Winter to Spring Compare, sort & group Record & communicate Findings Comparisons Notice patterns & relationships Simple measurement Record & communicate findings	Plants Trees Identification Seasonal Changes - Spring to Summer Raising Questions Make comparisons Sort & group Simple scientific language Investigation
Y2 General topic	Everyday Materials Raise questions Make comparisons Record & communicate Findings Use scientific language Simple measurement Compare, sort & group Observations	Animals Inc Human Living Things and Their Habitats Simple measurement Raise questions Make comparisons Record & communicate Findings Sort & group Use scientific language Observations	Plants Compare, sort & group Record & communicate Findings Comparisons Notice patterns & relationships Simple measurement Record & communicate findings
