

MFL POLICY

Autumn 2021

AIMS	<p>Modern Foreign languages are a valued part of the curriculum at Christ the King Primary School. Learning languages contributes to mutual understanding, a sense of global citizenship and personal fulfilment. Our aim is to encourage pupils to understand and appreciate different countries, cultures, communities and people. We aim:</p> <ul style="list-style-type: none">• To help children foster positive attitudes towards foreign language learning.• To enable children to develop linguistic competence such as listening and speaking skills.• To enable children to develop an awareness of simple language structures and to express themselves in another language.• To allow children an opportunity to explore their own cultural identities and those of others.• To help children appreciate similarity and difference in the world about them
APPROACH	<p>As the children move to Key Stage 2, they will learn French. This language will be taught over a 4 year cycle.</p> <p>Strong links will be made with other areas of the curriculum and the children will be encouraged to apply their PMFL knowledge throughout their daily activities.</p> <p>The children will learn about the importance of cultural identity alongside the language being taught.</p> <p>Through their understanding of different cultural identities the children will be encouraged to develop their feelings and 'empathy' for others.</p>
RESOURCES	<p>We will use the ilanguages program as a resource to support the teaching of French. This will roll over from year group to year group. This scheme supports pronunciation of spoken language.</p>

TIME ALLOCATION	40 minutes per fortnight in KS2.
ASSESSMENT	We will use the ilanguages assessment booklet, which covers reading and writing in French, as well as aural assessments to ensure that children understand and respond to the spoken word, as well as the written language.
MONITORING AND EVALUATING	<p>There is a bi- annual review of this policy by the MFL Subject Leader. Implementation of MFL will be monitored by Lead through triangulation of evidence.</p> <p>The Curriculum committee of the governing body is briefed to oversee all policies. Any changes made to this policy will be communicated to all teaching staff</p>

Policy agreed by Governors: Autumn 2021

Signed: (Governor)

Policy to be reviewed: Autumn 2023
