

## RE Newsletter Spring 2

### *The Season of Lent*

Dear Parents,

The word Lent comes from an old English word that means 'lengthen' and refers to the turning of Winter into Spring when the days lengthen and the cycle of life is renewed once more. There is more sunlight, birdsong is more noticeable, spring bulbs are in bloom and trees are beginning to show signs of coming to life. These signs of new life are echoed in the season of Lent through which the Church bids us to reawaken and refocus on tending to the Lord who calls us 'come back to me, with all your heart'. The journey of Lent is a journey towards the new way of living that Jesus, through the Holy Spirit, promised to us through the power of our most celebrated season – Easter.

We tend to celebrate Christmas as if it's the most important time in the Church's year, but the Resurrection of Jesus is the most important event for Christians. When Christians say that their hope is in the risen Jesus, they mean it is their greatest hope. When Jesus rose on the first Easter morning, it was a brand new kind of life. He promises this same life to all who hope in him. No wonder that Easter is the greatest feast!

Special intentions for our prayers from the Church's prayer cycle for Lent:
