

1. Choose one of the pictures showing the battles between the Romans and the Celts.
2. Look closely at the picture and choose to be either one of the Romans or one of the Celts. You could even get someone else from your family to join in and be another person in the scene. Imagine you are this person and create your own freeze frame image of the scene.
3. When you have your freeze frame image, think about the following questions:
What can you see? What can you hear? What can you smell? What are you feeling? What are you thinking?
4. Now write a paragraph using these answers to describe the scene.
