

„Treat others the way you would like to be treated yourself“

**25th March 2022**

**Message from Mrs Procter**

The weather this week has been fabulous, the children have enjoyed being able to play on the school field during break times, they were so excited when we opened the gates- simple pleasures in life. We have planted 9 new trees on the school field this week to celebrate the Queen's Jubilee, the children will be responsible for watering them each week.

We have had our Y2 residential this week that was a huge success, the children had a great time and were a credit to us. We are very lucky at CtK that the staff are willing to give up their own time and leave their families behind for two days to look after our children, we were delighted that Miss Wilkinson could join us for our final day as she was out of isolation! Make sure you look on Twitter for all of the pictures.

The children have been completing their assessments this week and have all really lived by our ethos statement to keep going even if things are difficult, we are so proud of them all! Tomorrow our school Choir are taking part in a competition and we are keeping everything crossed that we come away with first place again- I think we stand a good chance as I have heard them during their rehearsals so you are in for a treat! I cannot believe how quickly this term is going, we have two weeks until we break up for Easter and then we are in the final week of the year- what do they say time flies when you are having fun!

This week we have finally received our school promotional video, it is on our website home page under School tour, please take a look- we are very proud of it!

**Weekly Reflection**

In Jesus' time there were many beggars who would hold out their hands to people passing by in the hopes that they would give them some money. Life was very difficult for poor and disabled people. They hoped that others would be generous so that they could have something to eat. One day a blind beggar called out to Jesus, "Son of David, Jesus, take pity on me!" And many people scolded him severely and told him to be silent. But he cried even louder, "Son of David, take pity on me!" Jesus stopped and healed the man because despite the circumstances he kept his faith that Jesus could help him. That day, like every day he lived in hope. He hoped to get a few coins but that day something special happened – Jesus gave him his sight. It is a lesson for us all. No matter how hard life is, there is always hope.
