This lesson looks at: Three special techniques.

These are: Colons -for a list Alliteration-using words with the same opening sound
Complex sentence- creating a subordinate clause by using 'as' in a sentence.

Remember to watch the lesson first then the film.

2) Next, get comfortable and watch the short film called 'Soar' about a young girl aspiring model plane creator and Lukas as miniature pilot.

WATCH THE FILM HERE: <https://youtu.be/UUlaseGrkLc>

3) Use the resources on the 'Soar resources tab' to help you choose a chunk in the plot and write your own 9 sentences about the film. (You can always return back to the film to watch it again to help give you more ideas).

You can also use the notes sheet and 'shadeometre' to help you expand your vocabulary with some thesaurus thinking!

We can't wait to see what you create!
