

Student Instructions

May is the Month of Mary

During May, we remember Jesus' mother, Mary and we join in her special prayer of the Rosary. Usually, we send home rosary bags for you to share this prayer with your families. This month, why not set up your own focal point in your homes. You could use some blue material as this is the colour we use when we are thinking about Mary. If you have a statue of Mary, candles and rosary beads you could use them too. If you don't, why not draw your own picture of Mary and use that. You could even make your own rosary beads as shown in the slides. When you are saying your prayers, think especially about all those who have been affected by the Corona virus. Please do share your pictures of your Mary focal points with us. We would love to put them on the school website.
