

Esafety: M is for..

We are continuing with our internet safety message and you have a new video to watch about the letter 'm'. The link is below:

<https://www.childnet.com/resources/video-lessons/the-m-rule>

Once you have watched the video, have a go at as many of the tasks as you like.

Task 1: Chat with an offline friend or family member via video call. Teach them about the 'm' rule.

Task 2: Invent a dance or song to remember that 'm' is for meet and what the important messages where from the video.

Task 3: Go to the ThinkUKnow website and find the report button. Create a poster which shows others how to find this button and when you might need it.

Good luck!
