## Family activities

Here you'll find fun and engaging activities that parents and carers can do with children of all ages to support this year's Safer Internet Day theme:

**'An internet we trust: exploring reliability in the online world.'**

Work through these activities together to help your child question what they see online and make sense of the digital world. Find more activities to run with different ages in the Safer Internet Day Education Packs: [saferinternet.org.uk/safer-internet-day/2021](https://saferinternet.org.uk/safer-internet-day/2021)

### All ages

#### Family Agreement

A family agreement is a great way to start a conversation about how your family uses the internet. As well as the online safety agreement in the Parents and Carers Pack, you can find a more detailed version here:

#### Safer Internet Day Films

Our Safer Internet Day films provide a great way to start a discussion with your child about how the internet makes them feel and what tips they have about finding reliable information online. There are different videos aimed at younger and older children here:

### Top Tips for searching online

Discuss with your child: How do you stay safe when searching for something online?

You could write their suggestions down or just keep it as a discussion.

Read the story 'Detective Digiduck!' here:

[childnet.com/detective-digiduck](https://childnet.com/detective-digiduck).

Discuss together what Wise\_Owl tells Digiduck to do when they are feeling unsure about something online.

Work with your child to create a 'Top Tips for Searching Online' poster, using Wise\_Owl's advice from the story. Your child could put Wise\_Owl's advice into a song or poem and record this to create a video to show other family members!

### Smartie the Penguin story

Read the Smartie the Penguin story that includes unreliable information here:

[childnet.com/resources/smartie-the-penguin](https://childnet.com/resources/smartie-the-penguin)

Join in with Mummy Penguin's song and follow the adventures of Smartie the Penguin as he learns how to be safe on the internet.
